DEMENTIA FRIENDLY CHURCHES

Our Christian faith encourages us to be welcoming and inclusive of all.

The experience of people with dementia and their families is often a lonely and troubled one and needs to be responded to with loving kindness and understanding. To be a 'Dementia-Friendly Church' is to find ways to reach out and involve people with dementia so that they know they are accepted and loved, and their spiritual needs are recognised and sensitively supported. It is also about being a caring 'listening ear' and support for family members and others caring for them.

Mold Mission Area churches wish to explore what we can offer to people living with dementia and their families. To start this new ministry off, we have invited Sue Brockley from the local Alzheimer's Society to run a Dementia Friends session for us.

***This will be held on Thursday 19th October from 7pm to 9.30pm
at Christchurch, Pontblyddyn, CH7 4HG
