

Great news about Bags of Help – The community grant scheme from Tesco

Groundwork North Wales are working with Tesco to transform green spaces across North Wales for everyone to enjoy. Now, the Tesco Bags of Help grant scheme has changed and will be permanently open for applications from community groups!

There are also a number of other exciting changes to the scheme.

Bags of Help will now see the money raised by the 5p bag charge in Tesco stores in England, Wales and Scotland opened up to a greater range of projects that support community participation in the development and use of open spaces.

Projects that will now get the green light as a result of the funding will include volunteer training, physical improvements of open spaces, equipment purchases, community events and sports and leisure activities.

Following a public vote, three projects in each of the Tesco regions will receive a grant each month, with first place receiving up to £5K, second place up to £2K and third place up to £1K.

Please spread this exciting news and encourage groups to apply. They will need to apply by following this link:
